Administrative Matters:

Elections: Callum Robinson was elected at the Members Night on 20th April

F3 Freshwater Competition on the Goulburn Saturday 9th April - George Green:

It was perfect weather but the flow was high. Water was 1000 ML less than the previous day, but still around 5000 ML which made for hard fishing. The fish were ON early and everyone bagged out early, but it was pretty much over by 9am. Just before lines up, carp came on at 8-10 pounds.

F4 Freshwater Competition and Interclub vs Elwood Angling Club on the Goulburn Saturday 16th – Sunday 17th April:

This was a good weekend, including putting on a BBQ for 25 people that was appreciated by Elwood. John Hunt and wife (living locally) also attended the BBQ.

General Business:

We received a most pleasant surprise in the post, from a former member and Junior Champion – Bentley Gavine – comprising a donation of a reel that he was presented with as Junior Champion, a BCF gift card (passed to the Social Secretary) and a very generous donation to the Club. The meeting also requested that Bentley be given an honorary membership and an invitation to the presentation night.
