#### **Trip Captain's Report: S4 Surf 4 at Apollo Bay – Trevor Thommers**

Members stayed at Peter Leggett's holiday house at Paradise, about 5 km out of Apollo Bay, on the Barham River. We enjoyed the accommodation, although there had been a lot of rain previously and the ground was sodden. It would be good to return in the trout season and fish the river, and good size browns had been reported from the bigger holes. Peter and Tom fished Marengo at first light for no size fish, and then joined the other members who had gone to Johanna Beach. Trevor was catching double headers early, but the fishing had all but stopped by 9am, with only the odd fish being caught from then on. Johanna had a monstrous hole that most members fished. Surf was strong and care had to be taken on the steeply sloping sections of the beach. Weather was kind.
